

Huîtres Chebooktoosk Oysters

(che-book-toosk)

is the original Micmac name meaning “**great little harbour**”

This was later adapted to the word Bouctouche, located in New Brunswick, Canada.

Bouctouche Bay offers pristine waters and ideal conditions for the cultivation and consistency of our quality oysters.

Once you try the Chebooktoosk oysters you'll see for yourself.

Fresh Cultured Oysters

Product	Quantity	Product Code
2.5" Cocktail Choice	100 ct	516333
